We, the employer, as administrator of an Employee Welfare Benefit Plan under ERISA (Employment Retirement Income Security Act of 1974), apply to obtain the coverage indicated. We understand that any dispute involving an adverse benefit decision may be subject to voluntary binding arbitration only after the ERISA appeals procedure has been completed.

We, the employer, as administrator of an Employee Welfare Benefit Plan which is a church plan or governmental plan as defined under ERISA (Employment Retirement Income Security Act), and therefore not subject to ERISA, apply to obtain the coverage indicated.

To the best of our knowledge and belief, all information on this application is true and complete, and Blue Cross/BC Life & Health may rely on this application in deciding whether to provide coverage. If the application is not complete, Blue Cross reserves the right to reject it and notify us in writing. We understand and agree that no coverage will be effective before the date determined by Blue Cross and only if we have paid our first month's contribution and this application is accepted, that we should keep prior coverage in force until notified of acceptance in writing by Blue Cross/BC Life & Health and that no agent or broker has the right to accept this application or bind coverage. If this application is accepted, it becomes a part of our contract with Blue Cross/BC Life & Health.

Coverage may be rescinded if there are misstatements in this application. We have provided the individual or the person through whom the individual was eligible to be covered as a dependent, prior to declining coverage, with an explicit written notice specifying that failure to elect coverage during the initial enrollment period permits the plan to impose, at the time of the individual's later decision to elect coverage, an exclusion from coverage for a period of twelve (12) months as well as a six-month preexisting condition exclusion, and we have received signed acknowledgment.

For BC Life & Health insurance coverages, we, the employer, apply to become a participating employer in the Small Group Trust to obtain the coverages indicated. We understand that the Small Group Trust and the underwriting companies may rely on the application, deciding whether to allow us to participate in the Small Group Trust. We hereby acknowledge receipt of BC Life & Health's benefit description attached to and made a part hereof. We understand and agree that: 1) no coverage will be effective before the date determined by the Small Group Trust and the underwriting companies and only if: a) we have paid for the first month's contribution; and b) this application, and any individual applications have been approved by the Small Group Trust and the underwriting companies; 2) this application, if accepted, and any subsequent amendments become our participation agreement with the Small Group Trust, and 3) the trust agreement and contracts under which we elected coverage are incorporated in and are made a part of the participation agreement. The employer agrees to comply with all provisions of the Small Group Trust. I understand and agree to all of the above. I understand that it is required to submit a DECLINATION of coverage any time that an employee and/or dependent is/or becomes eligible for coverage, but does NOT enroll.

For employers offering a Medical Savings Account (MSA) compatible EPO Plan: We, the employer, understand that the MSA compatible Plans are designed for Exclusive Provider Organization (EPO) usage, and that using non-participating providers could result in significantly higher out-of-pocket costs. We understand that having this coverage does not establish an MSA.

The MSA, which must be established for tax-advantaged treatment, is a separate arrangement between the individual and a bank or other qualified institution. Applicant must be an "eligible individual" under IRS regulations to receive the MSA tax benefits. The IRS has not yet issued MSA or high deductible health plan regulations or determined that Blue Cross of California/BC Life & Health high deductible plans are qualifying high deductible health plans. Consultation with a tax advisor is recommended.

Arbitration Agreement: We understand that any and all disputes, between us and Blue Cross of California/BC Life & Health, including claims for medical malpractice, must be resolved by binding arbitration, if the amount in dispute exceeds the jurisdictional limit of Small Claims Court, and not by lawsuit or resort to court process, except as California law provides for judicial review of arbitration proceedings. Under this coverage, Blue Cross/BC Life & Health and we are giving up the right to pursue on a class basis any claim or controversy against each other.

If we are enrolled as an administrator of an Employee Welfare Benefit Plan that is subject to ERISA (Employee Retirement Income Security Act of 1974, 29 U.S.C. section 1001, et seq.) we understand that any dispute involving an adverse benefit determination for a health claim may not be subject to mandatory binding arbitration. However, we further understand that any dispute we may have with respect to an adverse benefit determination for a health claim may be submitted to voluntary binding arbitration after the ERISA claim appeal process has been completed.
