It contains only a partial, general description of plan benefits or programs and does not constitute a contract. Aetna does not provide health care services and, therefore, cannot guarantee any results or outcomes. Consult the plan documents (i.e. Schedule of Benefits, Certificate of Coverage, Evidence of Coverage, Group Agreement, Group Insurance Certificate, and/or Group Policy) to determine governing contractual provisions, including procedures, exclusions and limitations relating to the plan. The availability of a plan or program may vary by geographic service area. Some benefits are subject to limitations or visit maximums. Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider cannot be guaranteed, and provider network composition is subject to change. Notice of the changes shall be provided in accordance with applicable state law.

Depending on the plan selected, new prescription drugs not yet reviewed by our medication review committee are either available at the highest copay under plans with an open formulary, or excluded from coverage unless a medical exception is obtained under plans that use a closed formulary. They may also be subject to precertification or step-therapy. Non-prescription drugs and drugs in the Limitations and Exclusions section of the plan documents (received upon enrollment) are not covered, and medical exceptions are not available for them.
