1 Coinsurance for this type of Covered Expense does not apply toward the Coinsurance Maximum, and the Percentage Payable for this type of Covered Expense does not increase to 100% due to satisfaction of any Coinsurance Maximum.

* Calendar Year Deductible and Additional Deductibles do not apply toward the Coinsurance Maximum.

** The Limited Fee Schedule is the allowable amount of Covered Expenses based on Medicare's Resource Based Relative Value System (RBRVS) and dollar amount conversion factor or comparable amount as determined by the Company. The Covered Person is responsible for any charges in excess of the allowable Covered Expense.

NOTE: This Policy has certain benefit maximums, some are Calendar Year maximums and some are benefit maximums while insured. Please review this information carefully to understand the benefits under this plan.

Pre-Authorization is required prior to obtaining certain benefits. Failure to Pre-Authorize services will result in a reduction in the benefits payable for Covered Expenses under the Policy. The Company will conduct a retroactive review to determine the Medical Necessity of the service, and services deemed not Medically Necessary will not be eligible for benefits under the Policy. Additional out-of-pocket expenses incurred by the Covered Person for not Pre-Authorizing services will not apply toward the Covered Person's Calendar Year Deductible or Coinsurance Maximum. To avoid any penalty, please refer to "Pre-Authorization Requirements."

Maximum Covered Expenses for Non-Participating Providers will not exceed the Limited Fee Schedule. Please refer to the *Certificate* Definitions Section for an explanation of the Limited Fee Schedule.

IMPORTANT PPO INFORMATION

EFFECT ON BENEFITS. Pre-Authorization is required prior to obtaining certain services. Failure to obtain Pre-Authorization may result in additional expense by the Covered Person under the Policy as shown on this Schedule of Benefits. No benefits are payable unless the Company determines that Covered Services are Medically Necessary. The Policy has certain coverage maximums, some are Calendar Year maximums and some are benefit maximums while insured. Please review the Schedule of Benefits carefully to determine coverage.

PARTICIPATING AND NON-PARTICIPATING PROVIDERS. The Policy provides benefits for Covered Services obtained from both Participating Providers and Non-Participating Providers. Participating Providers are those Providers who have agreed to participate in the Company's Preferred Provider Organization and provide health care at negotiated fees. Non-Participating Providers have not agreed to negotiated fees or arrangements.

EMERGENCY SERVICES. When a Covered Person receives Emergency services from a Non-Participating Provider, the Emergency services will be paid as if rendered by a Participating Provider. Once the Covered Person can be safely transferred to a Participating Provider, the Covered Person must be transferred in order to continue receiving the Participating Provider level of benefits. If the Covered Person chooses not to transfer to a Participating Provider, all additional Covered Expenses incurred will be paid at the Non-Participating Provider level.

USE OF HOSPITAL BASED PROVIDERS. The Policy provides benefits for Covered Services obtained from both Participating Providers and Non-Participating Providers. Certain hospital based providers including Emergency Room, Radiology, Anesthesiology and Pathology providers, may not contract to provide Participating Provider services under the Policy. To reduce costs, Covered Services obtained from Non-Participating hospital based providers at a Participating Hospital, may be considered as a Participating Provider benefit up to the Usual and Customary Charge (or Limited Fee Schedule if applicable) under the Policy. Under these circumstances, the Non-Participating Provider may bill the Covered Person for charges over Covered Expenses paid by the Policy. The Covered Person is responsible for any charges that exceed the Covered Expense under the Policy.

USING A PARTICIPATING PROVIDER MAY LOWER COSTS. Covered Services from a Non-Participating Provider may cost the Covered Person more than Covered Services from a Participating Provider. Covered Expenses for a Non-Participating Provider's services may be substantially lower than the actual charges. The Covered Person's responsibility includes the portion of Covered Expense not payable under the Policy, plus all of the Non-Participating Provider's charges that exceed the Covered Expense.

APPLICATION OF ADDITIONAL DEDUCTIBLES. Additional Deductibles are separate Deductibles applied per occurrence for services specified on the Schedule of Benefits. Additional Deductibles are in addition to, and do not apply toward satisfaction of any Calendar Year Deductibles under the Policy. The Covered Person is responsible for any Additional Deductibles applied per occurrence.

To minimize out-of-pocket costs, the Covered Person should consider the effect on benefits by selection of provider type. The following chart depicts the effect on benefits under a typical PPO plan. To determine Covered Services under the Policy, consult the *Certificate and Schedule of Benefits*.

Effect on benefits by choice of provider	PARTICIPATING PROVIDER SERVICES	NON-PARTICIPATING PROVIDER SERVICES
Coinsurance Benefit Percentage of Covered Expenses Payable by the plan under the Policy	Higher	Lower
Coinsurance Maximum Out of pocket costs, less any applicable Deductibles or Copayments	Lower	Higher
Negotiated Fees for Covered Services Hospitals Physicians	Yes Yes	No No
Balance Billing by Provider for Covered Services Hospitals Physicians <i>(Other than Non-Participating hospital based providers identified below)</i>	No No	Yes Yes Covered Person is responsible for 100% of charges that exceed the Covered Expense
Balance Billing by Provider for services not covered under the plan Hospitals Physicians	Yes Yes Covered Person is responsible for 100% of charges that are not Covered Services under the plan	Yes Yes Covered Person is responsible for 100% of charges that are not Covered Services under the plan
Balance Billing by Non-Participating hospital based providers, when providing Covered Services at a Participating Hospital Non-Participating hospital based providers include - Emergency Room, Radiology, Anesthesiology, Pathology	Does Not Apply	Yes Covered Person responsible for 100% of charges that exceed the Covered Expense

CHANGE IN PARTICIPATION. If, while a Covered Person is confined in a Facility which is a Participating Provider, that Facility ceases to remain a Participating Provider, coverage will be provided throughout the period of confinement at the negotiated rate for that Facility before it ceased to be a Participating Provider.

If a Covered Person obtains authorization for services to be rendered by a Participating Provider, and the Participating Provider subsequently ceases to be a Participating Provider, coverage will be provided for the pre-authorized services at the negotiated rate for that Provider before the Provider ceased to be a Participating Provider.

NON-PARTICIPATING PROVIDERS. If there is not a Participating Provider that provides a particular Covered Service, that Covered Service will be deemed to be provided by a Participating Provider in determining the amount of benefits payable under the Policy.

LIMITED FEE SCHEDULE. The Company offers Covered Persons a wide range of health care options within its Preferred Provider Organization (PPO). Covered Persons have access to quality care through our network and enjoy maximum subscriber savings. Although Covered Persons may choose a Non-Participating provider, the Company uses a Limited Fee Schedule to determine the Covered Expense for services or supplies outside our network which may result in a higher Coinsurance payment, reduced benefits and higher out-of-pocket expenses. Please refer to the Definitions list in Section 5 of the *Certificate* for further information on the Limited Fee Schedule.

This *Schedule of Benefits* is a brief outline of the Covered Services provided under the Policy. Please review the *Certificate of Coverage* in addition to the *Schedule of Benefits* for a complete explanation of Comprehensive Major Medical Coverage to determine coverage.
