⁴ To use this option members must select a Personal Physician who is affiliated with a Medical Group or IPA that is an Access+ Provider Group, which offers the Access+ Specialist feature. Members should then select a specialist within that Medical Group or IPA. Access+ Specialist Visits for mental health or substance abuse services must be provided by an MHSA network Participating Provider. Access+ Specialist Visits for mental health services for non-Severe Mental Illness, or non-serious Emotional Disturbances of a Child, or substance abuse will accrue towards the 20-visit per calendar-year maximum. In addition, all Access+ Specialist visits require a \$30 member copayment per visit.

⁵ For a listing of Severe Mental Illnesses, including Serious Emotional Disturbances of a Child, and other benefit details, please refer to the Evidence of Coverage or Plan Contract. For mental health and chemical dependency, other than medical acute detoxification, services are administered through the Mental Health Services Administrator (MHSA) utilizing MHSA Participating Providers. Inpatient services for medical acute detoxification are accessed through Blue Shield using Blue Shield HMO Plan Providers.

⁶ *In vitro* fertilization, injectables for infertility, artificial insemination and GIFT are excluded. See page 43 for information about the optional infertility benefit.

⁸ There is a \$250 Calendar Year Brand Rx Deductible per member for the \$15 Copay Access+ HMO Plan which applies to all formulary brand and non-formulary brand drugs obtained at a participating retail and mail pharmacy. Calendar year brand Rx deductible is accrued online each time a brand prescription is processed by a participating pharmacy.

If the physician or member requests a brand name drug and a generic is available, the member is responsible for the difference in cost between the brand and the generic in addition to the generic copayment. Drugs from non-participating pharmacies are not covered.

⁹ Home self injectable medications may require prior authorization by Blue Shield.

¹⁰ Covered Hospice Services received from any Hospice agency must be prior authorized by Blue Shield. If Blue Shield prior authorizes Hospice Services from a Non-Participating Hospice agency, those Hospice Services will be reimbursed at the Participating Hospice Agency level.

¹¹ Skilled Nursing services are limited to 100 days during any Calendar Year except when received through a Hospice Program provided by a Participating Hospice Agency. This 100 day maximum on skilled nursing services is a combined maximum between Hospital and Skilled Nursing Facilities.
